

FORM 5 APPLICATION FOR CONSTRUCTION OF SECOND-STORY BOOTH

(ONLY FOR EXHIBITOR ALLOTTED FOUR BOOTHS OR MORE LOCATED ON GROUND FLOOR)

To: Taiwan External Trade Development Council (TAITRA)

We will participate in the Robot Taiwan 2008 held at the Taipei World Trade Center Exhibition Hall from **May 1 to 5**. As more space is needed for the show, we hereby apply for the construction of second-story booths. We ensure that the booths will be constructed in accordance with the specifications of the construction plan (as enclosed) by a licensed architect, also in compliance with the Decoration Guidelines for the Taipei World Trade Center Exhibition Hall, and the Construction Guidelines for Second-story Booths in the Taipei World Trade Center Exhibition Hall. We will take sole responsibility for the safety of the booths. If there is any injury, financial loss or infringement upon the rights of other participants resulting from the design, construction, use or removal of such booths, we will assume all legal responsibility, and ensure that TAITRA will be excused from any civil liability or compensation responsibility. If TAITRA is charged, and subjected to making compensation or sustains any losses due to any of the above circumstances, we will reimburse TAITRA for all lawsuits and lawyer expenses, other fees and TAITRA losses.

Enclosed are related data and documents for the application for second-story booths.
Please check and grant approval for the construction.
